

GAME MACRO

MINERAL TRACE MINERAL VITAMIN CONCENTRATE FOR HOME MIXING OF FEEDS AND LICKS FOR GAME

KEY ADVANTAGES

- Compiled specifically according to the unique nutrient requirements of game
- Contains all minerals, trace minerals and vitamin A in a premixed macro pack –no weighing off of individual ingredients required
- Contains no protein or energy – enables maximum use of own / locally produced ingredients
- Contains no non-protein nitrogen – therefore ideal for all kinds of game as well as organically certified farmers
- Improves fertility and resistance against disease
- Contains Zinc and Copper in organic form – promotes horn growth and hoof strength

TDN (Energy)	65,40	66,35	51,48
Recommended intakes (g/day)			
Large game	<i>Ad lib</i>	1000 - 1500	600 - 900
Small game	<i>Ad lib</i>	200 - 300	100 - 150

FEEDING RECOMMENDATIONS

- Consult a Feedtek nutritionist if alternative ingredients are available or if alternative feeds are required
- Adapt animals gradually onto the complete feed
- Provide licks unrestricted together with good quality roughage / grazing freely available
